December 2020

Manx Classic 2021 Cancellation

To all Marshals, Officials and Competitors

It is with regret that the Board of Directors has to inform you that the proposed 2021 Manx Classic event has been cancelled.

This decision was taken bearing in mind many factors relating to both the situation involving the Island Government policies and the United Kingdom's problems with Covid 19.

The Island's border is closed to non-residents and its government has indicated that it will remain so until there is evidence that the pandemic in England has been controlled.

The Board thanks everyone for their support and assures you that plans for the 2022 Manx Classic will soon be started, and we look forward to seeing you all then.

Bob Riding.
Chairman, Manx Motor Racing Club
