

MANX CLASSIC 2020

MANX MOTOR RACING CLUB

MMRC Bulletin

April 2020

Manx Motor Racing Club Competitor Update

The Coronavirus has and is being a dreadful episode for everyone. Many of you will be isolated and some will sadly have lost or know someone who has lost a close friend or loved one. Our sincere sympathy and condolences to all who are in this position.

The cancellation of the Manx Classic 2020 has involved a great deal of work and expenditure which will have to be redone and paid again in 2021. Our bulletin offering different levels of refunding of the entry fees has resulted in differing responses and we want to thank all of you.

Competitors memberships of MMRC will be extended to October 2021 so as to take next year's event into account. Your generous donations to the

Marshals Fund will be carried over to help with the 2021 competition marshal's involvement.

Some competitors also opted to leave a donation to the club from their entry fee – this option coming initially from a competitor.

All of this will help us to keep this unique event running after Covid19 has passed. Of all the competitors contacted, only nineteen opted for a full refund and twenty-six opted for a lesser figure, leaving a donation for the club. Twenty-five have transferred the monies towards the 2021 event.

If you have not already had your refund you will receive it in the next few days depending upon card and bank administration times.

The dates for 2021 are already lodged with the Isle of Man government as the 29th/30th April and the 1st May. Put them in your diaries and we will look forward to seeing you all there.

I feel sure that you would all wish me to pass on your thanks and appreciation to all the marshals and officials who have put in so much effort over recent years. We will circulate this bulletin to them as well.

On behalf of the Directors and all involved I wish you all a safe and healthy time ahead with the happy prospect of a Manx Classic in 2021.

Take care of yourselves and those close to you.

Graham Malcolm, Clerk of Course

Manx Classic dates 2021
